

glove_data_L_Dynamic_Double_Lower_3s_4_2026-05-04_14-05-19.csv · **Butterworth LP (order=4, fc=10.0 Hz, zero-phase)** · **fs = 30 Hz** · **scale: raw units**

The figure displays a 2x10 grid of line plots showing acceleration data (ax, ay, az) over time (0.0 to 3.0 seconds) for various body parts. The top row contains plots for L Palm, L Thumb, L Index, L Middle, L Ring, L Pinky, R Wrist, R Palm, R Thumb, R Index, R Middle, R Ring, and R Pinky. The bottom row contains plots for L Wrist, L Palm, L Thumb, L Index, L Middle, L Ring, L Pinky, R Wrist, R Palm, R Thumb, R Index, R Middle, R Ring, and R Pinky. Each plot has a legend indicating ax (red), ay (teal), and az (blue). The y-axis scales vary by plot, and the x-axis is labeled 'Time (s)'.
